**MOTION TO TRANSFER OR CANCEL THE CERTIFICATE OF CLARICOM
NETWORKS, INC. AND REISSUE TO CLARICOM NETWORKS, LLC**

COMES NOW CLARICOM NETWORKS, INC. ("Claricom") through the undersigned regulatory counsel and in support of its Motion to Transfer or Cancel The Certificate and Reissue to Claricom Networks, LLC states the following:

1. Claricom holds a certificate of service authority to provide resale of local exchange or interexchange telecommunications services in the State of Illinois.
2. In December 2001, Claricom took appropriate steps to qualify an entity known as Claricom Networks, LLC with the Illinois Secretary of State. A copy of that filing and approval are attached hereto as Exhibit A.
3. Claricom's certificate of authority to operate in the State of Illinois was revoked by the Illinois Secretary of State for failure to file required reports. Upon receipt of the Citation Order filed herein, Claricom filed its' Application For Reinstatement with the Secretary of State along with the delinquent Annual Reports. Copies of these filings are attached hereto as Exhibit B. In conjunction with this filing and immediately upon reinstatement by the Secretary of State, Claricom filed dissolution documents with the Secretary of State, it being the intent of Claricom to operate as an LLC instead of a corporation for tax purposes.
4. The owner of Claricom is the owner of the LLC and the officers of Claricom are also the members of the LLC. The only change that has taken place is in the entity type and made solely for tax purposes.
5. Based on the foregoing, Claricom Networks, Inc. would ask that its' Certificate of Service Authority issued by the Illinois Commerce Commission be transferred to or

cancelled and reissued in the name of Claricom Networks, LLC.

WHEREFORE, for the stated reasons, Claricom prays that the Certificate of Service Authority issued to it by the Illinois Commerce Commission be transferred to or cancelled and reissued in the name of Claricom Networks, LLC.

Respectfully Submitted,
